The Authentication system

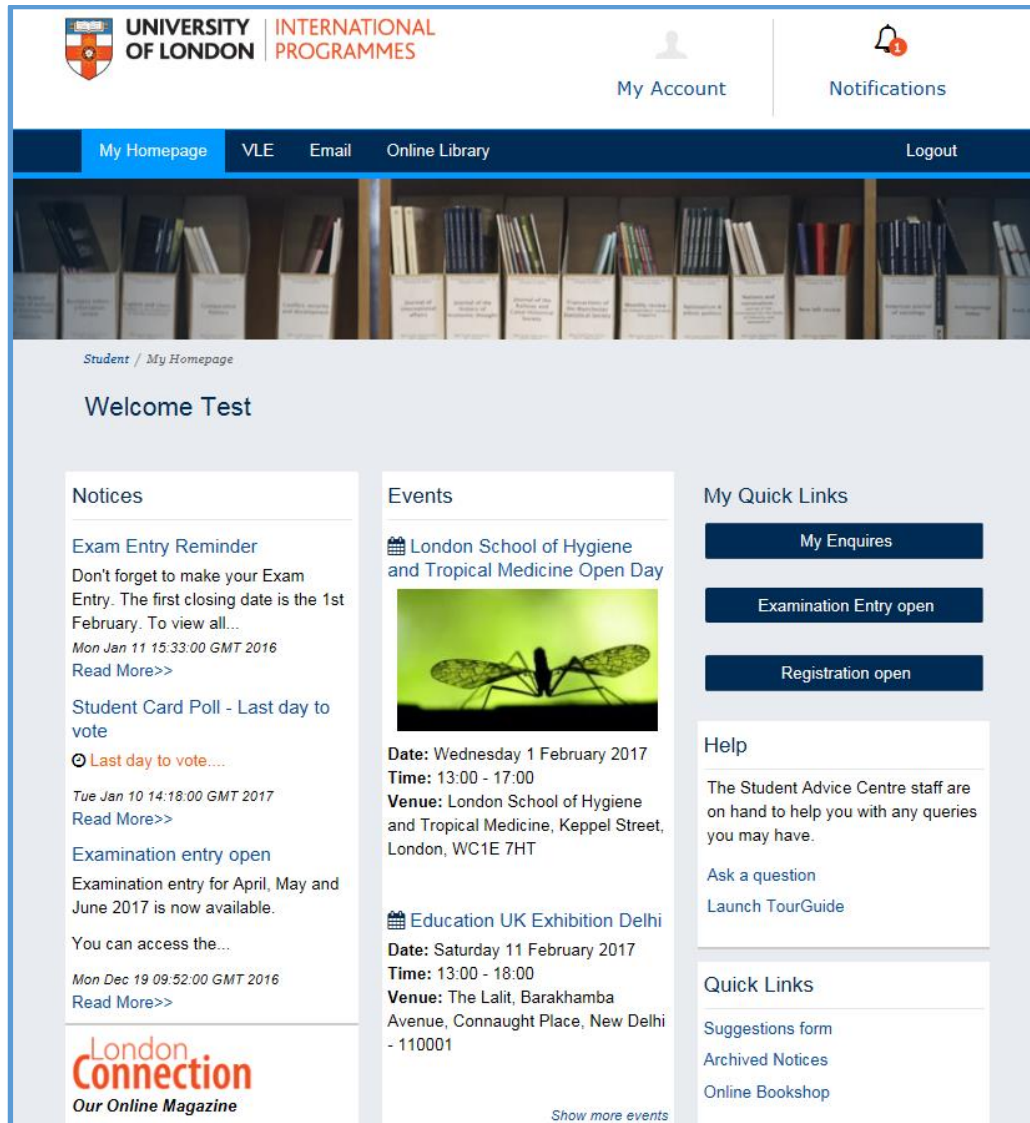

This is where you sign in with your unique username and password.

This system checks you are who you say you are and if you are allowed to access the Portal.

This system is also responsible for letting you access our other IT systems.

What will you find in the Portal?

Once you are logged into the Portal you can access a variety of resources.

The screenshot displays the UOLIA Portal system interface. At the top, the University of London International Programmes logo is visible on the left, and 'My Account' and 'Notifications' links are on the right. Below this is a navigation bar with 'My Homepage', 'VLE', 'Email', 'Online Library', and 'Logout' options. The main content area features a banner image of bookshelves. Below the banner, the user is identified as 'Student / My Homepage' and a 'Welcome Test' message is displayed. The interface is organized into several columns: 'Notices' on the left, 'Events' in the middle, and 'My Quick Links', 'Help', and 'Quick Links' on the right. The 'Notices' section includes an 'Exam Entry Reminder' and a 'Student Card Poll - Last day to vote'. The 'Events' section lists two upcoming events: 'London School of Hygiene and Tropical Medicine Open Day' and 'Education UK Exhibition Delhi'. The 'My Quick Links' section contains buttons for 'My Enquires', 'Examination Entry open', and 'Registration open'. The 'Help' section provides information about the Student Advice Centre staff and offers links to 'Ask a question' and 'Launch TourGuide'. The 'Quick Links' section includes 'Suggestions form', 'Archived Notices', and 'Online Bookshop'. At the bottom left, there is a 'London Connection Our Online Magazine' logo, and at the bottom right, a 'Show more events' link is present.

The UOLIA Portal system

Portal Resources and information:

- Important news and updates about key dates in the academic calendar, availability of our IT systems and University news
- Information on Global Events
- Links to the Student Advice centre
- Access to all your Student enquiries
- Access to your Student records including your payment records.
